

Give them \$10, on us!

Reward your employees when they get their COVID-19 vaccination

Everyone wants to feel safe at work and in their communities. The COVID-19 vaccine is our best tool to reduce illnesses and hospitalizations and help get all of us back to the moments that matter—family cookouts, meeting friends for dinner or a ballgame, concerts and more. Each of us must do our part.

Please encourage your employees to get their COVID-19 vaccination. And let them know when they do, we'll give them \$10 in rewards.

Florida Blue members 18 and older who've completed the full vaccination will receive a \$10 prepaid Mastercard®, which can be used for some medical expenses. The reward is redeemable through the Better You Strides program, which members can access through their online Florida Blue member account.
